

ELEMENTARY SUPPLY LISTS 2018-2019

Preschool - 5TH GRADE

All kindergarten and new students will need to purchase a Children's ESV Bible from the school. This leather-bound Bible costs \$21.00. Bibles are available for purchase at the front desk. These Bibles will remain at CAK for school use. Students will be highlighting all memory work that begins in Kindergarten as directed by teachers. At the end of each school year, teachers will write a short note to each child and pass the Bible to the next grade level. Ultimately, this means that students will leave fifth grade with a Bible signed by all teachers and all memory work will be color coded by grade level. We are excited about the keepsake our students will have upon completion of elementary school!
